OCEANIA CRUISES' *MARINA* EARNS 5-STAR RATING FROM BERLITZ

Go Next is proud to announce that Oceania Cruises' *Marina* was recently named one of the top 10 mid-size ships in the world in the 2012 *Berlitz Complete Guide to Cruising & Cruise Ships*. With a total score of more than 1,700 points, which translates to a 5-star rating, *Marina* has joined an elite group of vessels that belong to the Berlitz "Five-Star Club," representing the highest rated ships in the world.

Upon its debut in January 2011, *Marina* set cruise industry standards with elegantly appointed lounges and restaurants and veranda staterooms that are the largest at sea. Designed for epicureans, the ship features a total of 10 dining venues, six of which are open-seating gourmet restaurants; all at no additional charge. *Riviera*, a sister ship, will debut in April 2012.

Marina has been a particular highlight to Go Next travel offerings, which feature some of the finest cruises in the world. Oceania Cruises provides an exceptional element to these offerings with its fleet of smaller, more intimate ships and exceptional accommodations, service and cuisine.
