

## **2011 Student Leadership Award**

The University of Illinois Alumni Association has the privilege of honoring exceptional graduating students for their volunteer contributions as leaders of student societies, groups and organizations at UIS. The UIS Campus Alumni Advisory Board sponsors this recognition program and would appreciate your assistance in identifying deserving individuals on the campus.

Nominees are undergraduate, graduate or professional students who have received their degrees in summer or all 2010 or candidates for graduation in May 2011. Nominees should have demonstrated exceptional leadership through their involvement in campus and/or student organizations. Leadership might be exemplified through an officer or chairman position or outstanding loyalty and commitment by a person whose actions inspire others. The leadership that is being recognized could have spanned an entire academic career or could be more limited in scope.

Recipients will be honored by the Alumni Association at a program near graduation. The UIS chancellor will present the award to these outstanding students.

Deadline for nominations: **Wednesday, Dec. 15, 2010**

Questions can be directed to:

Mary Caroline Mitchell at 217/206-7395 or [mmitc1@uis.edu](mailto:mmitc1@uis.edu)
